**Response by PLO Executive Committee Member Dr. Saeb Erekat to
Netanyahu's statement against a Palestinian State**

“Netanyahu has done everything possible to bury the two-state solution. This is not something new to us. Netanyahu's statement at the illegal settlement of Har Homa is a clear response to all those governments that tried to block Palestinian diplomatic initiatives. Netanyahu dared to utter his words whilst counting on full impunity from the international community. The time has come for the world to learn and understand that impunity will not bring peace, only justice will.”
